

**Fripp For a Cure – FRIPP ROCKS!**

*Chris Assaf*

In 2009, Flo Kamradt was diagnosed with breast cancer and opted for a double mastectomy. Obviously, this was an extreme measure but, as a nurse, Flo never thought her name and cancer would be in the same sentence.

In 2012, Flo and her husband, Mike, moved to Fripp Island. The 2013 *FRIPP FOR A CURE* golf tournament absolutely blew them away. Flo was astounded by the community spirit and sheer number of signs honoring loved ones who had been diagnosed with cancer.

While playing that day, Flo wasn't feeling well. She shared her symptoms with her teammates who went home and called a Fripp Island resident who was battling ovarian cancer. Two days later, Flo received a call. The two women met and Flo realized she had to do something.

Flo contacted a doctor at Beaufort Memorial Hospital (BMH). They discovered a six inch tumor on her right ovary. BMH worked with their partner, the Medical University of South Carolina (MUSC), and Flo underwent a five and a half hour robotic surgery.

Flo's tumor was deemed borderline but could have quickly become malignant if left unchecked. Flo believes it was truly God's work, her girlfriends on Fripp, and the Cure tournament that saved her life. So, while she has not been treated at Keyserling Cancer Center, she feels blessed to live in a community that can provide convenient and outstanding care.

Registration is now open for this year's *FRIPP FOR A CURE*. With a theme of **FRIPP ROCKS!**, the Golf Tournament will take place on October 13<sup>th</sup> at our Ocean Point Course. The Grand Finale party will be held at the Beach Club on Friday, October 16<sup>th</sup>. You may sign up for both events at the Ocean Creek Pro Shop.

Hole Sponsorships are also available. For \$100, you may order a sign remembering or celebrating your loved one. It will be placed prominently on the golf course on October 13<sup>th</sup>. You may order your sign at the Ocean Creek Pro Shop or contact Ted and Rita Michals at [trmichals@gmail.com](mailto:trmichals@gmail.com).

While participating in these events will probably not save your life... like Flo believes hers was saved...you will be helping to save the lives of others. Please come celebrate. When we present that final check to Keyserling Cancer Center at 9:00 pm on October 16<sup>th</sup>, all the world will know once again just how amazing Fripp Island is!

Flo and her husband Mike celebrating life with their grandchildren.

## Tips on Computer Safety for Free

(The first in a series)

Carl Koellman

I'm a Windows PC user, not an electronics techie as I still don't have a smartphone (Oh, that poor man! Is he a Luddite?). I am familiar with computing hardware. You can practice safe computing and not spend money. Except for your computer and Internet access cost, here's how to protect your Windows environment for free.

**Firewall:** Firewalls prevent the bad guys from accessing your computer, and prevent your computer from exposing your sensitive data to the Internet. There are software and hardware firewalls—try to use both. The built-in software firewalls in Vista/7/8/8.1/10 are adequate and they've served me well. Put a router between the PC and your modem as a hardware firewall. Ok, the router isn't free but it won't cost much. The Linksys E1200 wireless router is good, easy to use, and costs under \$50. For Windows XP both firewall types are critical. Search for compatible software firewall like *Comodo*, *Tinywall*, and *ZoneAlarm* (you really need to get away from Windows XP).

**Anti-Virus/Anti-Malware:** Windows 8/8.1/10 have Windows Defender anti-virus software built-in. For Windows Vista/7, install the free *Microsoft Security Essentials*. For Windows XP see if *AVG* (free version) is compatible (did I say you really need to get off XP?). For malware detection and removal, install and run *Malwarebytes* (free version), *Spybot Search & Destroy*, *Adwcleaner*, and *JRT (Junkware Removal Tool)* occasionally.

**Good Internet Habits:** Run the latest version of your browser (Chrome, Firefox, and/or Internet Explorer). Stop using Outlook Express for email—*Windows Live* offers better safety. Be careful how you install programs; make sure you don't install unwanted stuff by mistake. Delete emails from persons or entities you don't know. Don't open unfamiliar mail attachments. Run the free version of *CCleaner* from Piriform to clear out crap files.

If you absolutely, positively have to stay with XP, I can do an article on how to protect yourself if there's interest.

Safe computing!

## CHIEF'S CORNER

Mike Binkowski, Chief of Security

With the recent change in parking allotments many homeowners are unaware of the number of vehicles permitted at their properties. Currently, only rental properties are limited to the vehicle allotment. (See *Splinters from the Board* in this issue, Resolution 713.)

To review the parking allotment for your property:

1. Go to [www.frippislandliving.com](http://www.frippislandliving.com)
2. Click on the Owners tab on the right side.
3. Click on the Owners Log In button in the upper right corner
4. Sign in with your e-mail address and password
5. Click on the Occupancy Report button located in the upper right corner (*This report may take a while to load.*)
6. Next to the address, on the far left, is the number of parking spots allotted for the property.

If you have any questions on your parking allotment, please contact me at (843)838-2334 or on my cell phone (843)263-3307 or by e-mail at [security@frippislandliving.com](mailto:security@frippislandliving.com). I will happy to review and re-evaluate your parking area.

## ISLAND SERVICES CONT.

### Angie Hughes Appointed New District Manager Fripp Island Public Service District

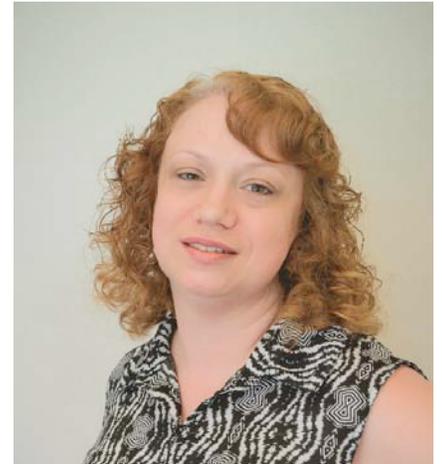

The Fripp Island Public Service District (PSD) Commission is pleased to announce the selection of Ms. Angie Hughes to the position of District Manager. Angie joined the staff of the PSD as Office Manager in 2003, after working with the Fripp Island Resort as Assistant Payroll/Personnel Administrator. She has been managing PSD office operations as current District Manager Ernie Wilson's primary assistant for the past twelve years, and is very familiar with PSD services, customers, and operations.

On June 30, with Ernie's expected retirement, and the June 19<sup>th</sup> resignation of Rodney Due, Ernie's expected replacement, the PSD Commission selected Ms. Hughes as the new District Manager, effective on or before December 31. In the interim, Ernie has agreed to remain as District Manager to help transition Ms. Hughes into the position.

Angie is a Michigan native who moved to Beaufort in 1999 to be near her extended family. She earned an Accounting Certificate at Technical College of the Lowcountry in 2004, and she has developed a deep knowledge of PSD operations during her 12 years as Office Manager. Angie has worked closely with Ernie in PSD budgeting, bond borrowing, legislatively-required audits, and banking. She is the primary PSD contact for customers, vendors, and county and state officials. She has provided essential support for all PSD field operations, including potable water supply, wastewater treatment and disposal, fire and emergency response, erosion control, and Fripp Inlet Bridge maintenance. She has provided excellent and efficient administrative support to the 6-member PSD Commission and for the biennial election of Commissioners.

Angie and husband John live in Beaufort with their family. With 12 years of on-the-job training and glowing recommendations from her supervisors at both the PSD and Fripp Resort, Angie is well qualified for the District Manager position. Her first managerial task will be to hire and train her replacement as Office Manager.

**Please welcome Angie Hughes as our new PSD District Manager!**

### Fripp Wins Recertification as a COMMUNITY WILDLIFE HABITAT

**Please Visit  
[www.nwf.org](http://www.nwf.org)  
or  
Call Karen Natoli

Want to help wildlife in South Carolina's Lowcountry? Want to attract more nature lovers to Fripp? You may know that Fripp is one of only four nationally Certified Community Wildlife Habitats in South Carolina, a significant achievement we proudly display at the entrance to our island. YOU have the "secret" for boosting Fripp's growing reputation as a beautiful, relaxing wildlife-filled destination to attract more neighbors and visitors inclined to "walk gently on the earth." It's right in your own yard, unimproved lot or on your porch, deck, patio or balcony! Because our tiny island is a miracle of nature, your property has ALL the natural elements for the prestigious National Wildlife Federation (NWF) to certify it as a Backyard Habitat.

These simple requirements are nothing more than NEARBY food, water, cover and places to raise young. EVERY property on Fripp Island has these—in spades! Our numerous lagoons and lakes satisfy the fresh water needs of wildlife; our maritime forests, dunes and marshes, trees, bushes, other yard plantings AND EVEN POTTED PLANTS meet the other requirements, evidenced by the abundance of diverse wildlife on Fripp (over 80 species of birds, for just one example).

In other words, you don't have to do ANYTHING to the landscape, but you DO need to fill out a form and send the NWF \$20. You'll be rewarded with a fancy official certificate and a one-year NWF membership that includes a subscription to National Wildlife—Yeah, we know. There're lots of experienced folks on Fripp to answer your nature questions, but if you join NWF and read National Wildlife, you'll soon know a heckuva lot yourself! Just e-mail Karen Natoli at [natweb@comcast.net](mailto:natweb@comcast.net) for an NWF form or for help with your online submission—or just click on this link! <http://www.nwf.org/certify>

## Beautiful Properties on Fripp Island

The Fripp Island Property Enhancement Committee asked property owners to send pictures of beautiful properties, manicured or natural, on Fripp Island. Owners can send in pictures of their house or a neighbor's house. We are sharing some of the pictures of properties that owners on Fripp Island believe to embody the beauty of the island.

If you would like to share your favorite property with other owners, please email Tina Reeves, [Treeves@FrippIslandLiving.com](mailto:Treeves@FrippIslandLiving.com) with the address of the property and pictures. We are looking for examples of properties to share and to inspire. Properties submitted should have landscaping that is nature friendly without the use of multiple screens. Fripp Island's wildlife can sometimes make it challenging to find landscaping materials that will not become a buffet for our deer.

The following pages highlight a few examples of beautiful properties that maintain their yards in a manner that embodies the spirit of Fripp Island.

## How I Found Fripp Island

Property Owner Joan Barnes posted an email on a local forum sharing how she and her husband became owners on Fripp Island. Her email started a wonderful trend of others sharing their stories. We will be sharing their stories with you.

If you would like to share how you became an owner on Fripp Island, please email your story to [Treeves@FrippIslandLiving.com](mailto:Treeves@FrippIslandLiving.com). Please title the email "How I Found Fripp Island."

Here is the email that started it all:

My husband and I decided to rent a week on Fripp in 2000. Our 1999 beach vacation was a disaster! Our two sons were 8 and 6 and spending two hours in a restaurant at night waiting to be seated did not go over with any of us. We decided to "try something new" and booked our next vacation at Fripp...a small island that we knew very little about but had seen an ad in Southern Living and decided to check it out.

Our whole family had a great experience and on our second trip to Fripp the following year, we purchased a homesite. We began building a second home/rental property even though it was pretty far from our home in Atlanta.

Thanks, Joan

1<sup>st</sup> a Renter, then an Owner within 1 Year

And another:

Twenty years ago, while attending a CME on Hilton Head, we decided that we wanted to find something more low key, so after leaving Hilton Head we came to Fripp for a few days and stayed in the Tennis Villas. Fripp was just what we were looking for...at the time we had two children a 3 and 5 year old. From that summer on, we came to Fripp at least once a year. In 2002 while on vacation we found a home to purchase as our vacation home. However, before we could close in September my husband was hit head on by a drunk driver and we saw our dream fade. Four children, a home, a medical practice took first priority so a 2<sup>nd</sup> home now would have to go on hold.

Fast forward to 2013, while on Spring Break our home was lost in a fire. Needless to say we were devastated. What else could happen...so that year at Christmas to help morale we decided to come to Fripp, our Happy Place. In years past, we had always stayed on the Ocean Creek side of the island. But this time, since it was short notice, I rented a home from VRBO on Porpoise Drive. The owners were lovely people, their house was a wonderful break for our family. At this time we were still going to rebuild on our property in the mountains of Kentucky. But our ways are not always His ways.... We decided to revisit Fripp and again stayed at The Crew's on Porpoise. It was at this time they told us that their house was on the market...we looked at many houses on the island, but kept coming back to Porpoise Drive. After our two youngest children shadowed at Beaufort Academy and loved it, we decided to make an offer. They accepted, and now the rest is history. We live at our "Happy Place." We are both 49, not retirement age, began as renters both from the resort and VRBO for over 20+ years, and look forward to raising our children and entertaining our future extended family and grandchildren on this wonderful Island.

## Fripp Island Women's Club

*Ann Dany*

The annual 4<sup>th</sup> of July Cake Walk is a very popular event sponsored by the Women's Club to support our humanitarian work throughout the year, both on Fripp Island and for non-profit charities in the Beaufort community. The Cake Walk was originally started by Paul Field, founder and leader of Fripp Island Sea Rescue, as a means of raising funds for their organization. In 2004 they chose another source for funding. It was then that the Women's Club decided to take over the sponsorship and management of the annual event.

The Cake Walk is traditionally held after the parade of golf carts. Residents and guests gather at the Beach Club to purchase tickets and view the display of cakes made and donated by members of the Women's Club and many other talented bakers on the island. In 2014 it was moved to the large deck at the Beach Club which provided more space and easy access for everyone. This year we were able to add a second ring allowing the Walk to have 20 discs each, making the line move faster. About 300 people participated in the march around the circles, with 25 volunteers helping out and over 80 cakes donated. This year's fundraiser netted an astonishing \$1,527 which included ticket sales and cash donations.

Our special thanks to the following and others who helped support the Cake Walk: Stuart Mitchell, Collins, Kelsey, Kathy Klutz, Dave Tindall for making new number discs,

Merilyn Smith for painting them, those who loaned us their wagons to transport the cakes, the ticket sellers, the circle and music monitors and callers, the cake bakers, the cake transporters, the cake table people, the event participants, the hours spent by many people to set-up, take-down and clean-up, Fripp Island Resort for use of their facilities and tables, the Community Centre for loaning us their large tent, Doug Haberlie and Dave Tindall for setting it up and taking it down, Patrick and Barbara Cotter for use of their tent, the photographers, and especially the woman in charge of this event from beginning to end—Sheila Tindall. Your efforts made this year's Cake Walk a great success. A sincere thank you and deep appreciation from the Women's Club.

Our first General Membership meeting will take place at the Community Centre on Wednesday, October 21<sup>st</sup>, 2015 at 10:00 am. We invite all women to join us and register as a FIWC member as we begin another year of exciting programs. Our guest presenter will be Arlene Jacquette, PhD, who will speak about "A day in the life of a Foreign Service Officer." As always, we welcome everyone to stay for the social following the meeting where you can enjoy delicious sweet and savory delights and refreshments provided by our own members while meeting new people and old friends. Please note that our next membership meeting will be November 18<sup>th</sup>. FIWC will sponsor the November Community Centre Fellowship dinner on November 11<sup>th</sup>, so please plan to attend. ## ISLAND SPORTS CONT.

### Nine Hole Men's Golf Group

*Mike Wilt*

July and August featured typical Fripp weather meaning it was hot and humid. None of the nine scheduled outings were affected by weather and as is normal during this time of the year, attendance was smaller than during the spring and fall months. However a variety of different games were played and everyone survived the hot weather. In August the starting time was moved back to 8:00 am to achieve a head start on the hot weather and in September the starting time goes back to 8:30.

Games during this time period included bear creek, reverse bear creek, team stableford, three low net, two low net, one low net, and even/odd where teams counted one low net on the odd number holes and two low net on the even holes. In addition one week the group played a scramble format from the new blended blue/white tees to give everyone a chance to experiment with the new format.

Weekly winners included Steve Schnobrich, Joe Studer, Frank Golden, Pete Simone, Mike Jahn, Howard Harmon, Gerry Weithman, Jim Click, Duffy Howard, Ed Smith, John Dunphy, Johnny Jones, Steve St. John, Mike Virostek, Rusty Prophater, Shelby Nussbaum, Gus Ferraro, Pat Reilly and Brian Flynn. Multiple winners out of the nine events included John Dunphy – five times, Steve Schnobrich and Rusty Prophater – three times, Pete Simone, Duffy Howard – twice.

In September the group will play at Ocean Creek and in October at Ocean Point, beginning at 8:30 am. Upcoming events include the nine hole Beat the Pro event on September 16 and the annual outing and dinner on Sunday, October 4. The annual dinner and golf will occur on Fripp and final details are being completed.

There are currently approximately 62 active members in the group. The Foretees website is being used for the men's nine-hole group. To sign up to play every Wednesday morning at go to the website at [web.foretees.com/frippislandresort/](http://web.foretees.com/frippislandresort/).

# SEA RESCUE

## Update for May to August 2015

*Michael Beach*

### Sea Rescue Case Activity

There have been a total of 17 Sea Rescue missions so far this year, with three in May, five in June, two in July and one in August. Helicopter training with the US Coast Guard was cancelled on August 18 due to lightning storms between the Charleston helicopter base and Fripp. The next helicopter training mission is presently scheduled for September 15 at 7:00 pm in the Fripp Inlet.

**Tuesday 6/4/15, 5:30 pm:** Fripp boater contacted Sea Rescue to advise his boat was aground south of St. Phillips Island and the engine would not start. Bob Newman and Bill Lyman dispatched in R1 and towed the disabled boat back to Fripp Marina.

**Monday 6/15/15, 6:07 pm:** Fripp Island Security called to advise that the two kayakers from the Resort were in trouble and needed assistance. Robbie White and Bob Bicknell took R1 out and located the kayakers in Old House Creek about one mile NW of the Fripp Marina. Both adults were ok, but one kayak was overturned and they were unable to get back to the Marina. Both boaters and their kayaks were transported back to the Marina.

**Tuesday 6/16/15, 3:07 pm:** The Marina called to advise that a 28 foot fishing boat had been coming in across the sand bars outside Fripp Inlet, had run aground and fouled both engines. Barry Stean and Mark Draves were on a training mission in R2 and responded to the location. Ralph Burchfield and Robbie White also dispatched in R1 in case the R2 (the smaller boat) had difficulty towing the much larger boat that was disabled. Favorable tides and good seamanship allowed the tow to be completed with R2 back to the Marina.

**Saturday 7/4/15, 6:52 pm:** The Marina called to advise that a boater had taken refuge under the Hunting Island fishing pier when his engine failed during a severe thunder and lightning storm. FISR contacted the captain who had moved to safety in the Hunting Island nature center. Cliff Spann, Tee Cooper and Mark Draves dispatched to the location and relocated the 16' skiff and boater to Russ Point landing once the lightning stopped and the winds had dropped.

**Wednesday 7/22/15, 2:05pm:** Boater called FISR to advise that two adults and two children were stranded on a 17' Carolina Skiff in Trenchard's Inlet near the entrance to Skull Creek and the motor would not start. Barry Stean and Cliff Spann dispatched in R1 and towed the boat back to Russ Point.

**TO REPORT A MARINE EMERGENCY,
